

High Legh Garden Centre – Display Weekend 11/12 Sept

On the weekend of 11th /12th September we have been invited to organise the 2nd Historic & Cars of Interest display at High Legh.

Last year's display was well received by all the visitors to the garden centre and a large number of the public came to talk to us. Through this display we have helped to raise the profile of the club as we reached out to a completely new group of people.

The general idea is to provide a static display of vehicles and as many people as possible to chat to the visitors about their own cars and the Club in general, but if you cannot stay all the time then we would welcome you for part of the day or you can leave your vehicle and we will look after it for you.

Last year we managed to get some publicity in the local press, and Warrington Hospital Radio was in attendance, with a direct feed to the patients.

Please come along and help promote your Club – - please remember any amount of time or the loan of any vehicle will be greatly appreciated.

So – if you can help in any way please contact Jeff on 01606 76610 or jeff.kdmc@talktalk.net
